

PUBLIC WORKSHOP NOTICE

Outer Beltway

Clay, Duval & St. Johns. Counties, Florida

The Florida Department of Transportation invites you to attend a public workshop addressing the proposed Outer Beltway corridor in Clay, Duval and St. Johns Counties, Florida.

For your scheduling convenience, the workshop will be held in three locations from 2:00 pm - 8:00 pm.

Tuesday, August 29, 2006 St. Johns Community College Thrasher-Horne Conference Center 283 College Drive Orange Park, Florida	Thursday, August 31, 2006 World Golf Village Renaissance Resort 500 S. Legacy Trail St. Augustine, Florida	Thursday, September 7, 2006 Cecil Conference Center 13541 Lake Newman Street Jacksonville, Florida
-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------

The purpose of the workshop is to inform the public as to the status of several projects that are located within this corridor. These projects include State Road 23 (Branan Field/Chaffee Road), the St. Johns River Crossing Study and State Road 9B. These projects are in various stages of development, including Project Development & Environmental, Design and Construction. Another objective of the workshop is to inform the public of the possibility that a portion of this corridor may be developed as a toll facility.

Department personnel with maps, drawings and other project information will be available at the workshop to discuss these projects and answer questions in a one-on-one format. Although there will be no formal presentation and comment period, a court reporter will be provided for anyone wishing to make an oral comment for the record. Written comments may also be submitted at the workshop or by mail or email.

It is the policy of the Florida Department of Transportation to prohibit materials and/or exhibits in our public workshops, meetings and hearings that are not the property of the Department. Therefore, no outside party will be allowed to display or hand out materials in any of these events.

These projects are being developed in compliance with Title VI and Related Statutes of the United States Civil Rights Act. Public participation is solicited without regard to race, color, religion, sex, age, national origin, disability or familial status.

Anyone needing project or public workshop information or special accommodations under the Americans with Disabilities Act of 1990, should write to the address or call the telephone number given below at least seven (7) days prior to the public workshop. Your attendance at this public workshop is encouraged and any comments made are appreciated. If you have any questions or comments please contact:
